Dear Parents,

We are delighted to be able to tell you that we have successfully achieved **our e-Quality Counts** accreditation from the National Day Nurseries Association (NDNA).

Many of you will be aware that over the past 12 months we have been working hard to achieve this accreditation, which acts as an indicator of the quality of service we offer. We are delighted that our efforts have been rewarded and that we have achieved this very special award.

We would like to thank you for your support during this time, and for your helpful feedback on the new developments in the nursery that have been introduced as part of the scheme.

Although we are now an official **e-Quality Counts** accredited nursery our hard work of continuously developing our quality care and education will not stop. Our accreditation award lasts for three years before re-assessment, and a large part of the programme is about ensuring that we continually explore and develop what we do. The staff team will continue to look at how we can support you and your child in new and improved ways, and we look forward to hearing your feedback in the future.

Our nursery development plan is available for you to see at any time and we welcome your comments, suggestions and ideas about our nursery.

As a nursery we would like to thank Ruth, our Nursery Deputy Manager, for all her hard work coordinating this project – without her we would not have progressed through the programme so quickly or efficiently.

Please do let me or a member of the team know if you have any questions.

Yours sincerely,

Rebecca Swindells

**Nursery Manager**
